Keep The Music Playing: Donate Now To Our Summer Concert Series

Dear Bandstand Supporter,

I am seeking donations to support this wonderful 2011 Summer Concert Series at Stage Fort Park. I'm grateful to those who have given in the past. We've lined up a terrific season and we need your help to pay for it. We have increased our goal for 2011 by adding an eighth concert. Your financial support can ensure that there will be money to fully fund this terrific Summer Bandstand Series. We need your help more than ever. Our Sunday evening concerts at Stage Fort Park are held in the most stunning setting in New England; overlooking beautiful Gloucester Harbor. The cost of each concert is approximately \$2,000. We need your help to continue these "free" concerts. Our donor benefit levels appear below. Please send in a check now!

Benefits:

- Full Concert Sponsor: 1,500.** You or your company will be recognized in all of our publicity. Your company name and logo (where available) will be featured in all of our printed materials. You are also invited to have two banners (not to exceed 3'x8') hanging from the bandstand railings during the performance. You may also distribute promotional materials to the concert audience.
- Concert Co-Sponsor: 750.** All of the same benefits listed above, minus one banner, and you share the spotlight with your "partner".
- Supporters: 100.-749.** You or your company name and logo will be listed in our printed program and your company will be listed in our donor list at the appropriate level.
- Donors: 25.-99.** You or your company will be listed in our donor list at the appropriate level.

Your financial support is crucial to the success of our summer series. Please send a check now to:
Cape Ann Community Band, c/o David Benjamin. 32 Revere Street, Gloucester, MA 01930

DONOR LIST

The following companies and individuals have donated to the Summer Concert Series since June 30, 2010. Donations made after June 26, 2011 will appear in our next program.
